## Stirlings Golden Stage 0W-30 ECO

### FULLY SYNTHETIC LONG-LIFE MOTOR OIL

Stirlings Golden Stage 0W-30 ECO is a fully synthetic engine oil, especially suitable for American and Asian petrol engines in passenger cars, SUV's, and delivery vans. This engine oil can be used in cars equipped with catalytic converters, turbo charged engines and direct injection systems where API SP(-RC) or ILSAC GF-6a is prescribed. Golden Stage 0W-30 ECO is compatible with petrol fuels containing up to 85% ethanol (E85) as well as LPG and CNG.

Stirlings Golden Stage 0W-30 ECO provides optimum lubrication and cleaning for in particular Asian and American petrol engines from different automobile manufacturers as Ford, Chrysler, GM, Toyota, Lexus, Kia, Subaru, Mitsubishi and Honda.

Stirlings Golden Stage 0W-30 ECO is designed to give improved fuel economy, turbocharger protection, and emission control system compatibility. This oil offers excellent protection against wear, corrosion, sludge and deposits as soon as the engine has started up to ensure maximum engine durability.

Stirlings Golden Stage 0W-30 ECO minimizes the risk of LSPI (Low Speed Pre Ignition) in modern engines with GDI/and TGDI and gives ultimate protection to the timing chain against deposits and wear.

Golden Stage 0W-30 ECO is backward compatible to previous API specifications as API SM, SN and SN Plus as well as ILSAC GF 4 and GF-5

### Specifications

API SP

ILSAC: GF-6A

Colour	Amber
Density at 15°C	0.843 kg/l
Viscosity, kinematic at 40 °C	44.0 cSt
Viscosity, kinematic at 100 °C	8.60 cSt
Viscosity Index	178
Viscosity, dynamic (CCS)	5866 cP
Base number	8.5 mg KOH/g
Flash point	222 °C
Pour point	-39 °C

Available in 1, 4, 5, 20, 60, 200L
