

Shifting Gear Oil 75W-80 MT/LD

Description Shifting Gear Oil 75W-80 MT/LD. Is a product of the LB (Level Back-up) product range. These products are based on the officially approved formulas, using the same high-quality additives, but the base oils have been replaced with equivalent alternatives. This creates equivalent products in terms of quality, with a performance level corresponding to the originally approved products. However, because no field tests have been conducted, the product may be claimed only to meet the mentioned performance levels

Application This gear oil is special developed for gearboxes under very heavy duty conditions together with high temperatures. This oil can also be used for extended drain intervals.
