

## Silver Chase 10W-40 SN

### Description

Stirlings Silver Chase 10W-40 SN is a synthetic motor oil. This universal motor oil is based on high quality solvent refined mineral and synthetic base oils. Additives have been added to this to obtain the following properties:

- a stable viscosity index
- a fast cold start
- a strong resistance against oxidation
- a safe lubrication film at high temperature
- a good detergency and dispersion
- a strong protection against wear, corrosion and foaming.

### Application

A universal motor oil, recommended for use in petrol- and diesel engines, with or without turbo-charging, in passenger cars and delivery vans.

### Specifications

Suitable for use:  
API SN/CF  
ACEA A3/B4  
BMW Longlife-98  
MB 229.1  
VW 501.01/505.00

### Typicals

|                                      |       |
|--------------------------------------|-------|
| Density at 15 °C, kg/l               | 0,868 |
| Viscosity -30 °C, mPa.s              | 5750  |
| Viscosity 40 °C, mm <sup>2</sup> /s  | 94,70 |
| Viscosity 100 °C, mm <sup>2</sup> /s | 14,50 |
| Viscosity Index                      | 159   |
| Flash Point COC, °C                  | 228   |
| Pour Point, °C                       | -42   |
| Total Base Number, mgKOH/g           | 10,8  |
| Sulphate Ash, %                      | 1,32  |
