

## Racing 20W50 4T

Description Stirlings racing 10W-40 4T A mineral engine oil for four stroke motor-cycles formulated with high quality mineral base oils combined with balanced additives to achieve the following properties:

- a high and stable viscosity index
- good friction characteristics
- a strong protection against wear, corrosion and foaming
- a good detergency and dispersion

Application This oil is special developed for the lubrication of four-stroke motorcycles, so that sliding, sticking and/or rough changing of the clutch-plates no longer occurs. This oil is developed and tested in co-operation with the most important motorcycle producers and has its performance demonstrated in the field.
