

Racing 10W-60 4T FS

Description Stirlings Racing 10W-60 4T FS is a fully synthetic engine oil and contains a dedicated ester technology to provide extra protection against wear, deposits, sludge and oxidation under all conditions. Is suitable for touring, racing, as well as for cross applications, under all conditions. This oil can also be used in motorcycle transmissions where an API SF, SG, SH, SJ or SL oil is prescribed.

Application This oil is special developed for the lubrication of four-stroke motorcycles, so that sliding, sticking and/or rough changing of the clutch-plates no longer occurs. This oil is developed and tested in co-operation with the most important motorcycle producers and has its performance demonstrated in the field.

Specifications Performance level:
